Subject: West Vermont Street Groundwater Results

Erin and Don,

Attached should be the most recent groundwater sample results for the two properties on West Vermont.

The following shows the sample date for each property which should correspond to the attachment:

<u>4018 W Vermont</u>	<u>4042 W Vermont</u>
8/20/09	8/27/09
8/27/09	9/3/09
9/3/09	9/10/09
9/10/09	9/17/09
9/17/09	

The 4018 W Vermont Street well consistently has results above the MCL for Vinyl chloride.
